### ***Participating in Krakow, Warsaw***

The BCIE is the official examination centre in Latvia for IELTS, Cambridge Assessment English qualifications, Cambridge Assessment Admissions Testing Service, ACCA, University of London, Open University and many other exams of British universities and professional organizations as well as UK boarding schools and college placement tests UKiset and BUSSATs.

- **IELTS** is the world's most popular English language test for higher education and global migration and every year it is taken by 3 million people. IELTS is recognized by 10 000 higher education institutions in the world, as well as thousands of employers. The unique 9-band scoring system measures performance in a consistent manner, wherever and whenever the test is taken. It is internationally recognised and understood. IELTS results are available 13 days after the test date.
- **Cambridge English Qualifications (CEFR levels A1- C2)** are in-depth exams that make learning English enjoyable, effective and rewarding. Each exam focuses on a level of the Common European Framework of Reference (CEFR), helping learners to improve their speaking, writing, reading and listening skills step by step.
- **Pre A1 Starters, A1 Movers and A2 Flyers** are the three Cambridge English Qualifications designed for young learners (aged 7-12). These tests introduce children to everyday written and spoken English and are an excellent way for them to gain confidence and improve their English.
- **Cambridge Assessment Admission Testing Service** exams allow students to take entrance examinations for the best universities in Great Britain. These examinations are taken in order to apply for the programmes of medicine, philosophy, politics, economics, law, mathematics and others.
- **Aptis** is the new British Council's computer-based test to assess in a fast, reliable and effective way English language skills in your organisation and results available in 48 hours. You can take Aptis before check your English language level before taking IELTS and Cambridge English tests at home.
- **ACCA** is the leading international accounting organisation that awards widely recognised international qualifications in the business sphere. ACCA qualification encompasses all entrepreneurial spheres – from financial statements, management accounting, corporate taxation and law to audits and business ethics.
- **BUSSATs - the British University and Secondary School Achievement Tests** help young people gain access to some of the best schools and universities in the UK, as well as indicating how their individual performance compares to the international standard. The Career tests analyse in depth the skills required for successful entry to particular professions, such as medicine, law and engineering. There is also a general **"Fit for Work"** assessment for school and university leavers and the **"Fit to be a Doctor?"** has been created to help students who are interested in applying to Medical School decide whether a career in medicine is right for them, and if so which aspect of medicine might suit them best.
- **UKiset** is an adaptive online entry test taken in English designed to support admission into the UK independent education system. It is a smart way to test a student's ability to thrive in an English speaking school. The assessments measure fundamental skills such as language, mathematics, problem solving and aptitude for learning.

## **Baltic Council for International Education**

*(Estonia, Latvia, Lithuania)*

**[www.balticcouncil.org](http://www.balticcouncil.org)**

### ***Participating in Krakow, Warsaw***

Baltic Council for International Education (BCIE), founded in 2004, is a leading education abroad company in the Baltic States with offices in Riga, Ventspils (Latvia), Tallinn (Estonia) and Vilnius (Lithuania), in Warsaw (Poland).

One of the main activities of the BCIE is counselling and sending students to study abroad, as well as assisting with the application process. Programmes offered cover all aspects of the education abroad industry including language schools worldwide, private and state secondary schools, vocational colleges and universities.

Twice per year (October & March) BCIE organizes the biggest in the Baltics education abroad Fair “Days of International Education” that is held in all four Baltic cities – Kaunas, Vilnius, Riga and Tallinn and Poland (Krakow and Warsaw). This is a well-known brand event that attracts more than 15,000 unique visitors interested in studying abroad.

Hundreds of young people get our professional counselling and assistance in the application process to universities in the UK, the Netherlands, Denmark, Canada, the USA, Australia and other countries. We are the only company in the Baltics that sends junior groups to language schools abroad on a weekly basis during summer.

We send the biggest number of students from the Baltics to language courses and private & state secondary schools worldwide.

The main distinctive features of our work are high reliability, responsibility and focus on a student. All our managers and counsellors hold university degrees and have experience in studying abroad. BCIE is a regular participant of all main study abroad workshops, including ICEF, ALPHE, BBSW, IALC. Our counsellors visit our new and established partners annually, as well as participate in agent conferences and fam-trips organized by schools and universities.

BCIE is the only examination centre in Latvia for such international exams and tests as IELTS, Cambridge English (Young Learner’s, KET, PET, FCE, CAE, CPE, BEC, ILEC, TKT), ACCA, Aptis, Open University and University of London External Exams, as well as UCAS information centre offering university placement services in Lithuania, Latvia and Estonia.

Besides, BCIE administers entrance tests for private schools and colleges abroad (BUSSATS, UKiset) as well as provides the detailed information about the exams, dates and fees as well as the preparation courses.

## **Claremont School** *(Great Britain)*

[www.claremontschool.co.uk](http://www.claremontschool.co.uk)

### ***Participating in Warsaw***

Claremont is a thriving, co-educational day and boarding school for children from the age of one to eighteen. The Nursery, Pre-Prep and Preparatory School was established in St Leonards-on-Sea in 1925 in beautiful 100 acre grounds, while the Senior School and Sixth Form at Bodiam developed more recently in response to the success of the Prep School.

Rated Outstanding in its recent Ofsted report, there are approximately 700 pupils at the school, including over 100 boarders, located across two magnificent sites. The school prides itself on the inspirational quality of its teaching staff which creates a dynamic learning environment in which all pupils make rapid progress.

Claremont Senior School, founded in 2011, is a quite remarkable school, unbridled by the past, highly progressive and forward thinking, yet built upon a foundation of traditional values, considerable experience and a pro-active, common-sense attitude.

The school's ethos is simple: to provide an exceptional learning environment alongside top quality teaching and guidance that allows every individual student to flourish and discover where their personal skills and interests lie. Since the school's founding we are proud to have established an inspirational programme of academic and co-curricular opportunities. These have been totally inspired by the students who have joined the school and the exceptional team of teaching and administrative staff.

At the heart of this school lies one clear aim: to develop a positive attitude throughout the whole school community. We are not driven solely by academic results in the conventional sense, but work hard to instil the attitude that will lead to exceptional results for all our students.

In every area of their school experience, be that through their A Level and GCSE results, their co-curricular activities, or their relationship with their friends and those around them, at Claremont Senior School we believe that this constructive approach allows our students to engage positively with the world and enables their character and talents to really shine.

This proactive attitude is fundamental to what we do and how we do it and it is what makes Claremont Senior School an unusual and profoundly enjoyable place to study and to work.

As a recognized Academy, NABA offers academic diplomas equivalent to first and second level university degrees in the fields of design, fashion design, graphics and communication, multimedia arts, set design, and visual arts. The Academy was founded in Milan in 1980 upon the private initiative of Ausonio Zappa, Guido Ballo and Gianni Colombo. NABA was selected by Frame and included in the Masterclass Frame Guide to the 30 World's Leading Graduate Design, Architecture and Fashion Schools, by Domus Magazine as one of Europe's Top 100 schools of Architecture and Design as well as by Business of Fashion as one of the 50 World's Bests Fashion Schools.

**Domus Academy** was set up in Milan in 1982 as one of the first postgraduate design schools in Italy and as an open project revolving around the experience of Italian design and fashion. Over the years, it has established itself as a school in the full sense of the term: a place for postgraduate training and a research laboratory on the themes of innovation and design. The 1994 winner of the Compasso d'Oro for the quality of its academic and research approach, in 2009, for the third consecutive year, the Domus Academy was included in Business Week's guide to the world's top 60 design schools. From 2012 to 2017 it was included in Domus Magazine's guide to Europe's top 100 schools of architecture and design and from 2012 to 2014 in Frame's guide to the world's 30 leading graduate schools of design, architecture and fashion. In 2016 and 2017 Domus Academy Fashion School was selected by Business of Fashion as one of the Top Global Fashion Schools.

The courses on offer at the academy include 12 Master's programs attended by students from around the world: Business Design, Product Design, Fashion Design, Interaction Design, Interior & Living Design, Urban Vision & Architectural Design, Fashion Management, Fashion Styling & Visual Merchandising, Visual Brand Design, Luxury Brand Management, Information Design, Service Design.

### ***Participating in Krakow, Warsaw***

#### **Ulster University (London & Birmingham)**

Ulster University is a multi-campus university which can trace its origins back to 1845. The university has now spread beyond its Northern Ireland roots to include branch campuses in London and Birmingham, run in partnership with QA Higher Education, a leading training provider. The branch campuses offer globally recognised, fully accredited degrees at Bachelors and Masters levels.

We have an excellent reputation for research, for providing work-based learning, and for the level of recognition granted by professional bodies.

We aim to create the best opportunities for our students by putting an emphasis on work-based learning. This contributes to over 93% of Ulster graduates being in employment or pursuing further studies within 6 months (DLHE Survey 2015/16).

Our campuses in London and Birmingham offer a modern, professional study destination. Our focus is to ensure our graduates don't just have a degree, but are highly employable and motivated individuals ready to function in a dynamic business environment.

Just some of the many reasons to come and study with us:

- Degree courses focused on industry-relevant education
- Academic staff with up-to-the-minute real-world expertise
- Excellent scholarship and bursary opportunities

- Competitively-priced for all undergraduate and postgraduate programmes
- Stimulating curriculum
- Unparalleled links with top employers create career opportunities
- High quality campus facilities in London and Birmingham
- Partnership with QA, who have 20+ years developing business and IT skills and are the UK's largest corporate training provider

Our joint goal is to combine the quality of Ulster's degree programmes with QA's commercial outlook as an international leader in training and talent development, and so enhance our students' employability.

In the process we have attracted faculty members with significant up-to-date experience in the business world. We have also established purpose-built teaching facilities that prepare students properly for the professional atmosphere and technological environment they can expect when they commence or progress their careers.

### **Middlesex University's Centres (London Holborn, Birmingham and Manchester)**

Middlesex University's Centres in London Holborn, Birmingham and Manchester are delivered as part of a partnership between the University and QA Higher Education, a leading training provider in the UK.

This collaboration combines the academic quality of Middlesex University with QA's commercial outlook as an international leader in training. Since June 2018, the Centres offer a business undergraduate programme with a Healthcare specialism as well as an undergraduate degree in Business Accounting in convenient city centre locations.

**London:** The building is located between the hustle and bustle of London's financial district and the buzz of the West End. Within the building, students have access to a library to help them to study in a quiet, reflective area. When they need some downtime, students can socialise and relax in the student area. With free WiFi, a ping pong table and comfy sofas it is the perfect place for students to unwind.

**Birmingham:** This location benefits from being right in the heart of Birmingham, a stone's throw away from Birmingham New Street train station and the Bullring, one of the largest shopping centres in the UK. Within this intimate learning environment, students can easily focus on work with the resources available to them. We offer a quiet learning space in our library complete with a suite of computers to give students the tools to catch up on coursework. Between lectures, students are able to take advantage of the social spaces on offer and relax with friends inside the building, or heading out in to the city centre and its wealth of attractions.

**Manchester:** This centre is located in central Manchester, a vibrant and buzzing city with a lot to offer. Classes take place in one of QA's newly refurbished spaces to offer a state-of-the-art learning environment with modern facilities. The Centre is conveniently located near many key transport links that assist students with getting to and from the campus. The city's excellent tram and bus network run close to the building as well as Manchester Piccadilly station, offering train services across the UK.

### **Northumbria University London Campus.**

Whether you are looking for a full-time or part-time Masters programmes, choose from a range of Business, Computing, Cyber, Project Management and Technology focused programmes at our London Campus.

If you're keen to take the business world by storm, our London Campus offers industry-focused courses amid the buzz of London's business and financial district. This gives you exceptional access to career-enhancing partnerships and collaborations in the UK's capital city including internship and live project opportunities alongside programmes delivered by academic and industry professionals.

London is a multicultural city where international students make up 33% of the total stu-

dent population. Our London Campus is conveniently located in a well-known student hub near to several other university campuses. This gives the campus a truly student feel and means that many of the local shops and amenities are tailored for students' needs.

Throughout your studies you will be taught by experienced academics who will help you understand how the theories you learn in the classroom translate into real life situations, ensuring that you develop the analytical skills highly valued by employers around the world. Unlike many other universities in London, we have a relatively small learning community. This enables us to offer a very friendly and welcoming study environment for students to relax or study in.

Northumbria University's business faculty (Newcastle Business School) is part of a select group of business schools worldwide, following accreditation by the Association to Advance Collegiate Schools of Business (AACSB) in business and accounting – the first in Europe to gain the double accreditation.

Founded in 1916, AACSB International is the longest serving global accrediting body for business schools that offer undergraduate, masters, and doctoral degrees in business and accounting. We take pride in offering a high quality learning experience to all our students and being accredited helps you to trust in the quality of teaching that you receive while you study with us.

If you join us, you will find that you are on a fast track that's designed to take your talent into the world of employment. 94% of Northumbria University students are in work or further study 6 months after graduation and the University is ranked 7th in the UK for the number of graduates in professional employment. The University is also number 1 in the UK for graduate start-ups (based on estimated turnover). In addition to all of that we offer fantastic scholarship opportunities to all of our prospective students.

### **University of Roehampton Holborn, Birmingham and Manchester**

At University of Roehampton Holborn, Birmingham and Manchester Centres, we offer a first-class educational experience, designed to help you reach your full potential and get the career you want. You don't have to take our word for it; we are ranked the best modern university in London according to the Complete University Guide 2018.\*

All of our centres are committed to ensuring that all students, regardless of their background, fulfil their potential. They become the kind of graduate that employers value: a confident, critical thinker; adaptable, able to work well with people from all walks of life and with an ongoing passion for learning.

What is more, we have a diverse community of students from 140 countries and a cosmopolitan outlook, with over half of their students the first in their family to attend university. We focus on creating new knowledge and ideas that help to understand our world and make it a better place; two-thirds of the university's research is officially recognised as of world-class standard. There are research-active staff engaged in teaching across all of the academic departments, which means students benefit from being taught by leading thinkers from their first year of study.

University of Roehampton Holborn, Birmingham and Manchester Campuses specialise in business, marketing and IT subjects. Studying in one of these great cities you'll be embedded within the fastest growing entrepreneurial communities in the country, meaning you will be perfectly placed for part-time work and internship opportunities. All the centres are also within walking distance of the city's cultural landmarks providing instant access to a brilliant range of art installations, museums, bars, and restaurants.

\*In the Complete University Guide 2018, Roehampton is the highest-ranked modern university in London. Modern, or new, universities are defined as those granted university status post-1992.

Complete University Guide does not itself define modern universities and does not produce a separate league table in which these are ranked.

## **Rishworth School** *(Great Britain)*

## Stiftung Louisenlund (Germany)

[www.louisenlund.de](http://www.louisenlund.de)

### *Participating in Krakow, Warsaw*

Preserving values, taking responsibility, shaping the future – Louisenlund, the only IB boarding school in Northern Germany, impresses with its beautiful surroundings, a thoroughly international character and education of the highest quality. Located on the Schlei, a Baltic Sea fjord, the school is committed to forming open-minded and responsible citizens. Louisenlund seeks to develop personalities and promote talents. Practical, proactive and experiential learning enables students to actively acquire and develop knowledge and to achieve their individual educational objectives. Louisenlund's students are expected to become the principle players in their learning process and to be accountable for their own academic process. Nevertheless, each student is accompanied by a faculty mentor, who acts as an academic advisor and helps students maximize their potential. Committed to the IB Learner Profile, Louisenlund not only aims for the best possible academic achievement amongst our young learners; the sense of community, companionship and consideration for others, as well as the readiness to take on responsibility are of particular importance.

Since its founding in 1949, Stiftung Louisenlund has stood for a top-class education, with high standards for academic achievement and character development. We offer the possibility to choose between the **German Abitur** and the **International Baccalaureate (IB) Diploma**, two widely recognized qualifications. 370 pupils, including 59 from abroad, currently attend the half-day primary school and the full-day 'Gymnasium' (German secondary school) or the IB Diploma Programme. Nearly 290 students are residents of our boarding community, which impresses with its relaxed and familial atmosphere. Because of the large number of Anglophone teachers, various native speakers teach their own language (English, Spanish and Chinese) and our membership in the esteemed Round Square network, Louisenlund enjoys a good reputation worldwide. Another important feature is the exceptionally good relationship between students and staff, deriving from the small learning groups.

Particular talents and weaknesses can be specifically fostered. Besides the educational possibilities and the broad range of extracurricular activities, life at Louisenlund is a time to remember for other reasons: local and international projects, linguistic and cultural diversity on the campus, lifelong friendships and the exceptional team spirit of our community.

## **Tettenhall College** *(Great Britain)*

**Independent Co-educational  
Day and Boarding School**

Continuous education from 3-18 years.

Quotes from our recent **Independent Schools Inspectorate** inspection report

A multicultural community where there is a strong sense of mutual respect.

Boarding pupils learn much independence from making decisions.

Day pupils value the diversity which international boarders bring.

Overseas boarders are quickly and effectively integrated.

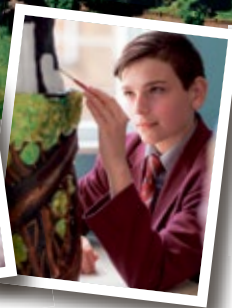

International pupils are articulate and are extremely positive about their experiences.

Boarding pupils value weekend activities.
